

Autobiography of a Yogi

Reprint of the 1946 First Edition

In the fifty years since *Autobiography of a Yogi* was first published in 1946, it has been acclaimed around the globe as a classic of spirituality—one of the most highly venerated ambassadors of India's ancient spiritual heritage to the modern world. Throughout those decades, the book has been in print continuously through Yogoda Satsanga Society of India/Self-Realization Fellowship, the organization founded by Sri Sri Paramahansa Yogananda to disseminate his teachings and carry on his spiritual mission.

After its initial publication, *Autobiography of a Yogi* was revised and substantially expanded by the author in later editions. In response to the interest generated by the fiftieth anniversary of this historic work in 1996, Paramahansa Yogananda's society has arranged for the publication of this authentic facsimile of the 1946 First Edition—photographically reproduced from an original copy in the archives of Yogoda Satsanga Society of India/Self-Realization Fellowship.
